Dear Sir or Madam,

I am the Scholarship Chairperson for the Reading Chapter of the Pennsylvania Society of Professional Engineers (PSPE).

The Chapter will be awarding a $2,500 scholarship for 2016-2017. The Scholarship is a one-time only grant to be provided to an undergraduate engineering student who will be enrolled in the first semester of their second-to-last or final year in the fall of 2016. The basis for the award will be academic success, character, personal merit, commitment, as well as school and community involvements.

General applicant requirements are provided within the attached informational flyer. Please forward this communication to the appropriate administrative officials for student awareness posting. My e-mail address, included in the flyer, is your point of contact if supplemental information is needed.

Sincerely,

Jasen P. Book
